

**The Grottoes of North America Honor the Military**

*Stay tuned for more information as Grand Monarch Michael Hosler and Lady Janis prepare for the 130th Annual Session. The theme for the convention this year is "Military." GM Hosler is a Veteran of Vietnam and a three time recipient of the Purple Heart. The Grottoes of North America and the Supreme Council Office are extremely proud to recognize his service. We look forward to his convention where we can all join together to thank him personally.*
